

REMARKS

In the Notice of Drawing Inconsistency with Specification of January 19, 2006, the Examiner noted that FIG. 8C is contained in the Drawings but is not listed in the Brief Description of the Drawings. Applicant is submitting this paper to correct the Specification to list FIG. 8C in the Brief Description of the Drawings. No new matter has been added. Since the one-month period ended on a Sunday, the period for reply has been extended under 37 C.F.R. §1.7 to the filing date of this paper, which is the next succeeding business day that is not a Saturday, a Sunday, or a Federal Holiday.

For at least the reasons set forth above, Applicant respectfully requests entry of the correction to the Specification. If in the opinion of the Examiner a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned at (650) 843-5852.
